Glen Coulthard is an assistant professor in the First Nations Studies Program and the Department of Political Science at the University of British Columbia.

*Red Skin White Masks* challenges recognition as a method of organizing difference and identity in liberal politics, questioning the assumption that contemporary difference and past histories of destructive colonialism between the state and Indigenous peoples can be reconciled through a process of acknowledgment. He examines an alternative politics, seeking to revalue, reconstruct, and redeploy Indigenous cultural practices based on self-recognition.
